Amoris Laetitia – *The Joy of Love*

Interested in finding out more?

Pope Francis' document on the family, *Amoris Laetitia – the Joy of Love*, was the product of two synods of bishops discussing the subject of the family. This lecture will seek to answer questions such as:

- What are the main topics of the document that need to be investigated deeply in order to understand the Pope's message?
- How can we implement *Amoris Laetitia* in our local Church?
- What are the challenges that our families are facing and how can *Amoris Laetitia* help us through these?
